

**PUBLIC NOTICE
OF PROPOSED ACTION**

The Administrator of the Nevada Division of Environmental Protection is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for a water pollution control discharge permit, # NEV2003510 from the following applicant:

Clark County Real Property Management
500 S Grand Central Pkwy
Las Vegas NV 89155

Clark County operates the wastewater treatment system at Spring Mountain Youth Camp, on Angel Peak Rd near Mt. Charleston. The original septic tank and mound system have failed and are being replaced by a package plant and leachfield. The Division has made the tentative determination to issue the proposed permit for a five (5) year term.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication postmarked no later than 5:00 P.M. on Thursday August 21, 2003, either in person or by mail to:

Nevada Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
333 West Nye Lane
Carson City, Nevada 89706-0851

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time. The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Robert J. Saunders, Bureau of Water Pollution Control at (775)687-9437 (email: rsaunder@ndep.state.nv.us). In addition, the fact sheet, draft permit, and this notice are posted at <http://ndep.nv.gov/admin/public.htm>. The office fax number is (775)687-4684.
